■ Presentation

The CLA's Summer University offers a training program which will allow you to improve the techniques you specialize in and experiment practical and innovating language teaching strategies. In a relaxed atmosphere, you will discover new pedagogical approaches and share your experience with teachers from all over the world.

■ Participants

- French as a Foreign Language and French as a Second Language teachers
- Teachers who work in French-immersion or bi/multilingual ('CLIL') classes
- Educators who train teachers, academic advisors, educational managers
- University teachers who teach French in French language departments abroad.

■ Contact

formations-formateurs-cla@univ-fcomte.fr

■ Content

The CLA offers a wide choice of tailor-made modules :

- Pedagogical and training engineering

Developing, managing and teaching a training course
The methodology of teaching French as a foreign language or
French as a second language
Improve your pedagogical know-how and discover new ways
of teaching

- French bi-multilingual teaching

Teaching non-linguistic subjects (DdNL) in French

- Teaching French for specific or academic purposes (FOS / FOU)

Broaden your knowledge by learning about new fields of
specialty

- Teaching young learners

Learn to master pedagogical approaches adapted to the
needs of children and teenagers and develop suitable material

- Using digital technologies to teach languages

Discover innovative tools and improve the way you teach

- Language, communication and French society

Perfecting your language skills and update what you know
about France and francophone countries.

■ **A series of discussion groups and workshops** (at the end
of the afternoon) will allow you to explore a variety of themes
and meet people involved in French education and culture, our
media partners, Radio France Internationale (RFI), TV5MONDE,
'Le Français dans le Monde' and major French as a foreign
language book publishers.

■ A certificate of attendance

will be given to you at the end of the course.

■ Diploma

You will have the opportunity to prepare the 'PROForm'
University diploma which will certify your skills in teaching
French as a foreign and/or as a second language. You must
complete 100 hours of training and write a research essay in
order to validate this diploma.
