### ■ Présentation

*The diploma is a program aimed at improving and developing the French language skills of B1, B2 and C1 level students. It also allows them to learn more about French society and, francophone culture.*

### ■ Participants

- any person who wishes to spend one or several semesters learning French and discovering culture in France and other francophone countries;
- students who would like to study abroad;
- any person who wants to develop French language skills as part of a professional project.

### ■ Entrance requirements

#### Students must have

- a high school diploma equivalent to the French 'baccalauréat';
- an A2 level in French acquired.

## ■ Course content

### **This course will enable students to**

Communicate through reading and writing in various situations;

- Learn how the French language works;
- Understand French society and culture in France and other French-speaking countries and develop intercultural skills;
- Specialize in linguistics, literature or economics;
- Master the language and methodological skills needed to study at a university in France.

### ■ **This program is composed of compulsory classes and optional classes.**

**The compulsory classes** are based on main skills: listening and speaking, reading and writing, learning more about French society, grammar.

A large array of options allows everyone to practice their language skills and acquire knowledge in various fields like literature, art history, phonetics, business French, management, French contemporary history, theatre or cinema.

**The optional classes offer communication activities** and language study based on a variety of authentic documents (newspapers, movies, radio programs, extracts from novels, blogs, etc.).

**Students are also asked to fulfill immersive tasks** (street interviews, company visits, discovery games, meetings with authors or elementary school students, etc.)

Students are evaluated through continuous assessment.

### ■ **This program includes special opportunities of immersives experiences in france:**

- work placements to discover how French companies operate;
- a volunteer work with local associations.
