■ Presentation

The Center for Applied Linguistics (CLA) of the University of Franche-Comté has partnered with the Higher Institut of Fine Art to provide a new program of French + Art and Design in Besançon.

This program is a 3-month course. It is destined for students who want study French and art before applying to a Bachelor's Degree to the Higher Institut of Fine Art in France. This preparatory course will allow you to enhance your knowledge in the French language and culture, all the while studying design and applied arts.

The syllabus includes general French as a Foreign Language and cultural classes in the morning and afternoons are devoted to the discovery of art and graphic design.

■ Validation

You will receive a training certificate at the end of the course. Possibility to take in addition the French language Diploma – DELF.
