■ Presentation

The 'Intensive french language course' program combines General French classes and thematic workshops which will allow you to make rapid progress in the language and to increase your knowledge of the French culture and society.

■ Participants

All levels, from the age of 17.

■ Objectives

You will learn to communicate orally and in writing, and will quickly improve your level of French proficiency. You will practice the language in a very active way in level groups specifically adapted to your needs. You will discover the French culture and society through an immersive environment.

■ Objectives

You will benefit from

- hours of oral and written language practice, including language lab or multimedia lab work,
- hours of thematic workshops (for example : phonetic correction, fun oral practice, writing support, comic book workshop, socio-cultural workshop, language and theater, language and song, language and cinema, etc.),
- 3 compulsory outings per month to discover the local heritage and practice the language.

A placement test at the start of the course will enable you to join a group of at least eight people adapted to your needs.

At the end of the course, you will receive a certificate of completion and a skills assessment form.
